

The image shows a high-end outdoor dining area, likely a rooftop terrace. In the center is a multi-tiered stone fountain with water cascading down. Several large, mature olive trees are planted in the space, some in large terracotta pots. The ground is paved with red bricks in a herringbone pattern. In the foreground, there are tables with white tablecloths and wicker chairs with light-colored cushions. A large, ornate crystal chandelier hangs from the ceiling. The background features a building with large glass windows and doors, and a city skyline is visible in the distance. The overall atmosphere is elegant and sophisticated.
